LIVES CHANGED THROUGH YMCA SUMMER DAY CAMPS

"My son struggles with ADHD and he's been sent home from other programs because of this. When we got a call from his Y camp early in the summer, we figured we would have to find alternative care again. Instead, your staff taught him ways to cope with his illness. By the end of summer, we were getting calls about how he was excelling. I can't thank you and your staff enough."

Camp Hyde's goal is to raise \$30,000 to help provide life-changing camping programs.
