

Multiply your math skills.

Whether it's extra help with algebra or additional coursework to strengthen college applications, Sylvan will develop a personalized learning plan to meet your needs.

- **Sylvan's highly trained math experts take the time to understand how you learn best**
- **Each math lesson is taught in a way that makes it easy for you to master the material**
- **Our highly personalized approach builds the skills, habits and attitudes needed to become a successful student in high school and beyond**
