## Notes from Natalie, Principal

**PLC Times:** Our teachers meet collaboratively on a weekly basis. K-2nd grade teachers meet every Thursday and 3rd-4th grade teachers meet every Friday from 8:30-9:00. The students are supervised in the classrooms by support staff so instructional time is uninterrupted. This time should be free from interruptions so please make arrangements to visit with your child's teacher at another time.

**Site Council** is another volunteer opportunity to be involved with the schools. The Site Council is a group of community members that provide advice and counsel to the school in evaluating performance goals and objectives established by the Board of Education. This year the Site Councils will meet jointly with all elementary schools. The following dates, times and locations have been established. Anyone is welcome to join us.

September 19th	6:00-7:30 pm	Apollo
October 17th	6:30-7:30 pm	Oak
March 26th	6:30-7:30 pm	Earhart
