

New For 2012!!

We are going to make collecting label points fun for the kids! Every month turn your labels into your child's homeroom teacher by the 1st of the month. The class that collects the most labels each month will earn a popcorn party or an extra recess!

Listed below are the programs that Oak Street Elementary is enrolled in.

You can also ask grandparents, churches and neighbors to save their labels for you! Look each month in the newsletter to see who wins! Good luck and let's make 2012 count!

Please contact
Sara Neuway, PTO Label Coordinator
at 871-4888 or sneuway@hotmail.com
with any questions.

When cutting out the labels please cut on the dotted line. It will help the coordinator tremendously.

CAMPBELLS SOUP LABELS

Save Campbell's soup labels. You can visit their web site and track our progress, enter to win 45,000 dollars worth of computers for our school as well as many more ideas on how to support Oak Street!
<http://www.labelsforeducation.com/>

BOX TOPS

As always box tops are very important to our school. Log onto the website to find ways to help Oak Street earn extra points. You can also track our progress! Our goal is \$ 1,000 dollars.

TYSON A+ CODES

One NEW way to help Oak Street is to save your Tyson A+ codes. This is new and we will learn together what products have the points. It looks like every freezer package has a point on it. You can visit the web site to learn more! Please make sure to cut out the complete label including the 1..2..3... portion

COKE REWARDS

Also you can save your Coke caps and the code off of the 12/24 pack of coke products. Once you enter the codes you can go to the donate tab, find Oak Street, and donate the points. You can also browse the wish list from that tab also.
