

Goddard Booster Club

Membership Form 2012 - 2013

The Goddard Booster Club encourages all Goddard parents and grandparents to join the Booster Club for the 2012-13 school year. The Booster Club is a non-profitable organization that raises money to help support all activities of the Goddard District schools. These activities include athletic, academic, fundraiser events and clubs. We are able to accomplish this by selling memberships and hosting fundraising events. The Booster Club has raised over \$100,000 over the past three years and donated it back to the schools.

Our goal for the 2012-13 school year is to raise and donate \$50,000. The average cost for a family of 4 to attend a home event is about \$18.00. It would not take too many nights of activities for the Family Membership to pay for itself. You may mail your form early, so your cards are ready by our first sports activity in the fall. Once you have completed your membership form, check out our web site at www.goddardusd.com/boosterclub.

The support that you give to all of the students of the Goddard School District is greatly appreciated. Please do not share your membership cards, it takes away from the money the schools make and inevitably takes away from our students. In the event that this occurs, they will be confiscated and not returned.
