

Internet Safety Pledge

1. I will talk with my parents or guardian so that we can set up rules for going online. The rules will include the time of day that I may be online, the length of time I may be online, whom I may communicate with while online, and appropriate areas for me to visit while online. I will not break these rules or access other areas without their permission.

2. I will tell a trusted adult if I come across anything that makes me feel scared, uncomfortable, or confused. I will not download anything from anyone without permission from my parents or guardian.

3. I will never share personal information such as my address, my telephone number, my parents' or guardian's work address/telephone number, or the name and location of my school without my parents' or guardian's permission.

4. I will never respond to any messages that are mean or in any way make me feel scared, uncomfortable, or confused. If I do get a message like that, I will tell a trusted adult right away so that he or she can contact the online service. And I will not send those kinds of messages.

5. I will never meet in person with anyone I have first "met" online.
