Parent Involvement Opportunities

Traditionally, the level of involvement and commitment from the parents of our students has been commendable. We, at Challenger, recognize the important role parents play in the education of their children, and we are grateful for the opportunities made possible to students and staff by parents. While our PTO Board oversees many of our endeavors, we still need your help for 2010-2011 school year. Please complete this questionnaire and return it with your other enrollment forms. From the information you provide, we will compile a list of parent volunteers that we can contact and utilize throughout the year.
