

Oak Street Elementary Volunteer Involvement Activities

Oak Street PTO would like to give you this opportunity to let us know where you would like to help in the following school year. Please be sure to mark the events that you are most interested in. Please provide an email address if you have one, it makes communicating and organizing for events much easier!

If you volunteer for anything this school year there is a mandatory volunteer meeting on September 7, 2010 at 6:30. It will be held in conjunction with our first PTO meeting. Thank you in advance for helping us this year.

Room parents organize and help plan each classroom party along with the teacher. You would be provided with a list of parents who would like to send items, attend the party or both. In order to be the room parent, you would need to be able to attend the party (or find someone else to in your place). This is a great service we offer to our teacher's at Oak Street. Please contact a member of the PTO if you have further questions. Each classroom will need at least one room parent.

You would be willing to be a Room Parent Y/N
